Arizona's 2026 Ballot Propositions

Arizona's 2026 Propositions - How I Will Vote

Greetings Arizona Voters!

Thanks for making @iVoteArizona one of the most trusted conservative voices in Arizona. It's time to vote on important propositions. If you are like me, they can be confusing. Sometimes "no" means "yes" and vice versa. Of course, always vote in accordance with your moral compass.

Let's make this election historic and transformative for the next generation of conservatives. God bless each of you and your families! Vote!

PROP 141	Amendment to prohibit state and local taxation on vehicle miles traveled by citizens. Will also ban the monatoring or tracking of a driver's miles without explicit consent.	YES
PROP 142	Amendment to prohibit government agencies, schools, and universities from using Diversity, Equity, and Inclusion (DEI) or, racial preference policies.	YES
PROP 144	Amendment to reaffirm that only US citizen can vote in Arizona, mandating Voter ID for all methods of voting, and bans foreign contributions in local elections.	YES
PROP 316	Limits the ability of local governments to tax groceries. It caps the local food tax rate at 2% and mandates voter approval for any future municipal tax increases on food.	YES
PROP 317	Will use Arizona law to identify, declare and classify domestic and foreign drug cartels as terrorist organiuzations. This will end any shield they might have in the state.	YES
PROP 318	Restricts access to public school restrooms, changing facilities, and athletic teams based on biological sex as recorded on an individual's original birth certificate. No males in female sports.	YES
PROP 319	Restricts the use of cameras as tools for automated traffic photo enforcement . It requires explicit voter approval before local jurisdictions can install or renew photo enforcement systems	YES
PROP 320	Mandates large and urban school districts (primarily targeting large systems in Maricopa and Pima counties) allocate at least 60% of operational budgets directly to classroom instruction.	YES
